# DIESEL FUEL TRAILERS

## DieselPatrol14™ 1000L

Unbraked trailer with 45L/min Pump & Lights

SKU: DSRX1000L045V1

TTI's DieselPatrol14™ Refueling Trailers provide safe and hassle-free refueling for your plant and equipment. Our diesel refueling trailers feature a robust galvanized chassis, moulded poly diesel tanks, high flow pumps, and hose reels, ultimately delivering effortless refueling of equipment.

- » Exceptionally smooth towing with excellent weight distribution
- » Manufactured from specifically formulated diesel grade polyethylene that meets International Regulation ECE R34.01 requirements, and complies with AS1940-2004 and AS2809.2-2008
- » 15 Year Tank Warranty
- » Safety Liquid Locker system fitted
- » Built to high level ADR requirements, with heavy duty steel chassis featuring hot-dip galvanising for maximum protection for tough, long term durable performance
- » 14" wheels with greatly improved puncture resistance with our 6 ply radial tires, which also helps heavy load capability
- » Heavy duty chequer plate mudguards
- » 50mm tow hitch
- » Heavy duty jockey wheel
- » Engineered for safety
- » LED tail lights recessed in rear light board
- » Large 50mm solid axle with high ground clearance
- » On Farm version, no brakes
